Gary Walker was the fourth child born to Glen M. and Afton Taylor Walker. He grew up in Peoa, Utah and graduated from South Summit High School. He attended 1 year at B.Y.U., fulfilled a mission to the Gulf States, then returned to the U of U for the rest of his education.

Christine Blonquist was the 2nd of 5 children born to Glen V. and Barbara W. Blonquist. She grew up in Coalville, Utah and graduated from North Summit High School. She met Gary her Junior year while he worked part time in his fathers Ford Dealership in Coalville.

They were married after Gary returned from his mission and our married life has pretty much been spent in Salt Lake.

Before moving to Heber, Christine worked as a Secretary for a Dermatologist for a total of 12 years and Gary was employed as Manager for Reuels' Art and Engineering.

In the fall of 1981, Gary's brother Dick decided to buy the Ford Dealership in Price. It was then that we made the decision to move to Heber.

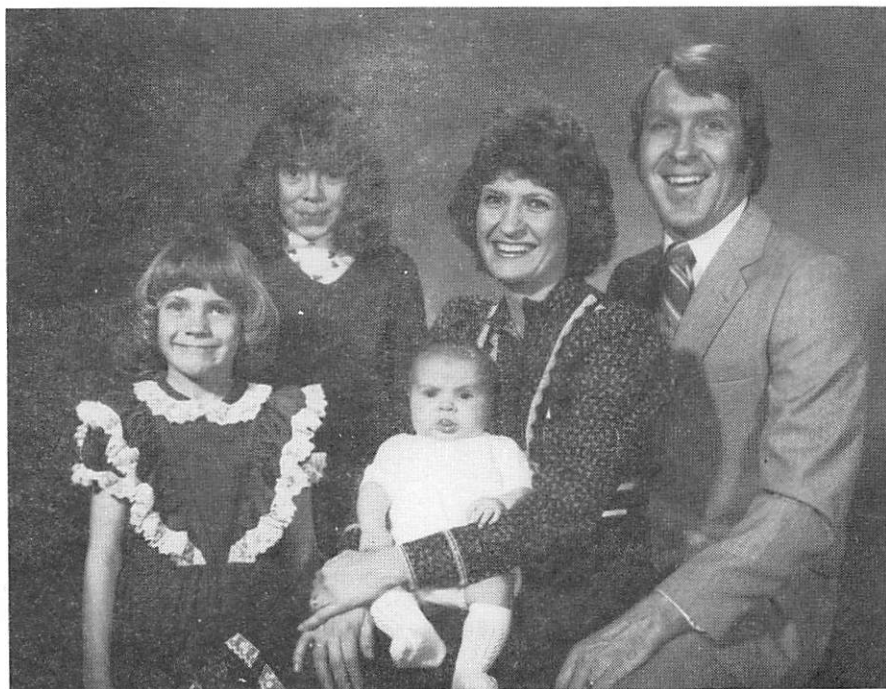

We are the parents of three children. Natalie, our oldest loves school, gymnastics and dancing, but her real love is her horses. She loves going to Horse Shows and competing. She has brought home many ribbons including a 1st attendant to the Charleston Rodeo Queen.

Heather is full of life. She is looking forward to being baptized soon. She also loves school, reading, piano, and gymnastics.

Geoffrey is our baby. He is very spoiled and loved by all of us.

As a family we all love to snow ski, go on vacations, and picnics. We are glad we had the opportunity to move to this area and we really enjoy the people of this Ward.

Brian was born on May 26, in Salt Lake City, Utah. He lived in Woods Cross until the age of three, when his father purchased a fruit farm in Payson, Utah, and his family moved there. Brian was the second of five children, four boys and one girl, and was raised working with his father and brothers raising fruit in the orchards and onions and onion seed on the farm ground.

Brian graduated from Payson High School in 1967, and enrolled at Utah State University. He filled a mission for the Church in upstate New York. In 1971, one year after completing his mission, he married DeLee Penrod, his high school sweetheart. He enjoys fishing, backpacking, and music.

DeLee was born on May 27, in Provo, Utah. When she was 8 years old, the State forced her father to sell their farm and her family moved to Genola, Utah, where they purchased another. She was the third of nine children, five boys and four girls.

DeLee graduated from Payson High School in 1968, where she met Brian her Sophomore year. In 1970, she graduated from Snow College and one year later married Brian in the Salt Lake Temple.

DeLee enjoys candy making and sewing. Her favorite form of recreation is skiing.

The two made their home in Cache Valley until Brian received his B.S. in Accounting. They lived in Salt Lake City until 1977, when they moved to Heber City. Brian is a partner with an Accounting and Tax Consulting Firm.

Brian and DeLee have three daughters, Denise, born in Logan, Dawna, born in Murray, Utah and Kimberly, born in Heber, Utah. Both Denise and Dawna enjoy playing the piano and all three enjoy singing. Favorite activities of the family include sing-a-longs and skiing.
